

Workbook

This Workbook can help you organize your thoughts as you prepare to advance.

Leaders may not require the use of this or any similar workbooks.

You still must satisfy your leader that you can demonstrate each skill and have learned the information. You should use the work space provided for each requirement to keep track of which requirements have been completed, and to make notes for discussing the item with your leader, not for providing full and complete answers. If a requirement says that you must take an action using words such as "discuss", "show", "tell", "explain", "demonstrate", "identify", etc, that is what you must do. No one may add or subtract from the official requirements found on Scouting.org. The requirements were last issued or revised in <u>2021</u> • This workbook was updated in <u>September 2021</u>.

LEADERSHIP

10. a. Tell someone who is eligible to join Scouts BSA, or an inactive Scout, about your Scouting activities. Invite thispersonhim to an outing, activity, service project, or meeting. Provide information on how to join, or encourage the inactive Scout to become active. Share your efforts with your Scoutmaster or other adult leader.

Who did you speak with?	
What did you say?	
What was the result?	

SCOUT SPIRIT

11. a. Demonstrate Scout spirit by living the Scout Oath and Scout Law. Tell how you have done your duty to God and how you have lived four different points of the Scout Law (different from those points used for previous ranks) in your everyday life.

13. a. Successfully complete your board of review for the First Class rank.

NOTES:

- The requirements for Scout, Tenderfoot, Second Class, and First Class ranks may be worked on simultaneously; however, these ranks must be earned in sequence.
- Alternative requirements for the First Class rank are available for Scouts with physical or mental disabilities if they meet the criteria listed in the Scouts BSA Requirements book.
- ⁴ See the Swimming merit badge requirements for details about the BSA swimmer test.
- ⁵ Under certain exceptional conditions, where the climate keeps the outdoor water temperature below safe levels the yearround, or where there are no suitably safe and accessible places (outdoors or indoors) within a reasonable traveling distance to swim at any time during the year, the council Scout executive and advancement committee may, on an individual Scout basis, authorize an alternative requirement for requirements 6a and 6e. The local council may establish appropriate procedures for submitting and processing these types of requests. All the other requirements, none of which necessitate entry in the water or entry in a watercraft on the water, must be completed as written.

 When working on the Scout, Tenderfoot, Second Class, or First Class ranks, Scouts and Scouters should be aware of some vital information in the current edition of the *Guide to Advancement* (BSA publication 33088). Important excerpts from that publication can be downloaded from

 <u>http://usscouts.org/advance/docs/GTA-Excerpts-Scout-Tenderfoot-2nd-1st.pdf</u>.
